- **Communicating for food security**

1. Food Security Communications Toolkit from FAO: This toolkit aims at helping food security professionals to develop a communication strategy and communicate more effectively with their target audiences. Specific sections of the toolkit focus on policy-makers and the media, because of the important role these play in implementing and influencing food security policies. While aimed at professionals working in food security related fields, the lessons in this toolkit can easily be applied to many other fields, 2011:

In English, 192 pp., 4 530 KB: www.fao.org/docrep/014/i2195e/i2195e00.htm

In French, 218 pp., 2 961 KB: www.fao.org/docrep/015/i2195f/i2195f00.htm

In Spanish, 217 pp., 4 490 KB: www.fao.org/docrep/016/i2195s/i2195s00.htm
